B. Auditor, Elizabeth Foster: The Treasurer's Report was examined and found accurate.

C. Tax Collector, Catharine Patton: Head, Poll & Yield taxes were received and Head and Bond & Debt Retirement taxes paid as indicated on Treasurer's Report above.

D. Road Agent, Ralph Bean: Most of the money allotted for road work last year was used on minor road repairs; a small amount remains to be added to this year's allotment and will be used, probably for tarring.

E. Librarian, Grace Bean: A total of \$80.10 was spent last year to purchase 17 new books. The balance in the Town Library Fund is \$1191.15.

F. Trustee of Trust Fund, Richard Jackson: The Town has \$20,000 locked in its Reserve Fund in a 90-day notice account in the Meredith Savings Bank, drawing  $4\frac{1}{2}\%$  interest.

It was moved, seconded and voted affirmatively to increase this Reserve Fund by \$10,000, making a total of \$30,000 which can not be used except by approval of 2/3 voters of the Town. (See Town Report May 30, 1959).

G. Health Officer, Elliott Foster, M.D.: No business to report. Dr. Foster asked Mr. Bean to report on the status of the sewage system. Mr. Bean stated that the recently-built lagoon was enlarged last year, upon recommendation of state authorities, and the cost was paid by the Inn.
